BIG CONVENTION
OPENS TUESDAY

Visitors Begin to Arrive for Hibernian State Meet

That the bi-ennial state conventions of the Ancient Order of Hibernians and the Ladies Auxiliary which meets here tomorrow will be of mutual interest, that they will give the 300 or more delegates and visitors present an insight into the great copper mining industry of Michigan, will give them an opportunity to become better acquainted with residents of this district and to enjoy this splendid summer climate, and on the other hand will give the people of the copper country an opportunity to become acquainted with the "livest wires" of one of the biggest fraternal orders in Michigan, was the sentiment expressed this morning expressed by P. J. Murphy of Detroit, state president of the order. Mr. Murphy anticipates that the convention here will be one of the biggest and most successful ever held in the state and expressed pleasure over the completeness of the local arrangements, which provide for the absolute maximum of social entertainment, without detracting from the business for which the convention is called.

From twenty-five to fifty delegates and officers of the A. O. H. and the Auxiliary had arrived in Calumet up to noon, though the majority of visitors will not reach Calumet until this evening, they having made the trip from Detroit to Mackinac by boat and today are speeding by rail from St. Ignace to Calumet. Some delegations will not reach Calumet until tomorrow morning.

The reception for the visitors will be largely informal and they will be escorted to their hotels and to private homes, where they will be entertained by local Hibernians and ladies.

Conferences Today. Delegates who had arrived in Calumet spent today in committee conferences, prior to the opening of the state conventions. These sessions were presided over by the presidents of the respective organizations. Mr. Murphy of the Hibernians and Miss Anna Lacey of Ishpeming, head of the Ladies Auxiliary.

Tomorrow the two big sessions will open in earnest with the assembling of the visiting delegates and the members of the Houghton county divisions at the Red Jacket town hall at 8 o'clock, while the Auxiliary members will meet at the same hour in the Sacred Heart Auditorium of Laurium. After the registry of visitors, the Hibernians, headed by the full C. & H. band, will march from the town hall to Laurium, where they will be joined by the ladies and will proceed to the Sacred Heart church. Solemn pontifical high mass will be celebrated by Bishop Frederick Eis of Marquette, assisted by local clergy and the convention sermon will be delivered by Rev. Fr. Barth of Escanaba, one of the convention guests.

At the conclusion of the mass the full C. & H. band will play "Reminiscences of Ireland." Immediately after this special service which promises to prove very imposing, the Hibernians and ladies will march to the Red Jacket town hall.

Official Welcome. Early in the afternoon the visitors will be given an official welcome at the Red Jacket town hall by Mayor Frank H. Schumaker. Responses will be made by State President Murphy and by Miss Anna Lacey, president of the Auxiliary branch.

Business sessions will be taken up soon as possible, the first matters in the order of business being the presentation of the annual reports.

The two big social events of the convention so far as the public is concerned, will be the grand ball at the Calumet Light Guard armory tomorrow evening and the big banquet for visitors and delegates at the armory Thursday evening. The armory has been very beautifully decorated for the grand ball, an event which will be open to the public. Admittance will be free to local members of the A. O. H. and Auxiliary. Music will be furnished by the C. & H. orchestra and there will be a grand march, which promises to prove a very interesting feature.

PASCOE FUNERAL WEDNESDAY.

The funeral of the late Edgar Pascoe, whose remains are expected to arrive tomorrow morning from Seattle, where his death occurred last week as a result of his being accidentally struck by an automobile, will be held Wednesday afternoon at 2 o'clock, with services in the Calumet M. E. church and interment in Lake View cemetery. The remains are being accompanied to Calumet by Walter Pascoe, a brother.

MAGAHAY WILL RETURN.

At the last quarterly conference of the Kearsarge M. E. church held recently, a unanimous invitation was extended to Rev. Hamilton Magahay to return to that charge for another year. Rev. Magahay, whose two year's pastorate at Kearsarge have been highly successful, will most likely be returned to this charge for another year.
